Bemerkung: Param Vir (2006): At about the time that I began to conceive this work, I encountered the bronze ‘Standing Horse’ by Beth Carter at an art fair. It was a striking sculpture of a man with a horse’s head, and formed part of her own series of investigations of human and animal forms. My composition of the work thus drew very direct inspiration from the presence of this vibrant image in my workspace. https://www.wisemusicclassical.com/work/23560/Hayagriva--Param-Vir/.
